The background of the slide is a dark, moody photograph. It features a wooden surface on the left, a black coffee machine or grinder in the center-left, and a small, glowing circular light source in the upper right. The word 'STARESSO' is faintly visible in the upper left background.

About

STARESSO

STARESSO is an international brand set up in 2014, specializing in fashionable and convenient coffee devices. It has been registered and operated in the United States, Europe, Japan and South Korea for many years and is very popular among users all over the world. Staresso created the portable coffee machine, Smart brewer bottle for tea, won the German Red Dot Design Award, IF Design Award, Asia Outdoor Industry Awards and other honors.

Staresso dedicates to creating creative and useful coffee products. Exploring ideas from traditional coffee equipment and injecting our inspiration, Staresso wants to make coffee easier for anyone, anyplace, anytime.

About the Distributor

ANOTHER COOKIE

Dear Staresso enthusiasts!

We are Another Cookie, specialized in coffee, tea and hospitality for B2B and B2C.

We want to offer a complete package of high-quality coffee and tea related products. That is why we are exclusive distributor for brands like Staresso and Planetary Design!

Another Cookie is located in The Netherlands, where we keep a large part of our stock. This ensures that we can fulfil most orders quickly.

As a distributor, we like to stay in close contact with our resellers, so we can support them where needed.

We hope to welcome you soon!

Mini Portable Espresso Maker **World's Smallest Portable Espresso Maker**

Superior to most!

You can use both fine coffee grounds and Nespresso® compatible capsules to make espressos with the STARESSO MINI portable espresso maker. Simply put 7-8 gr. Fine grounds coffee into the coffee filter basket, add hot water (max 92°C) and start pumping. The espresso will come out directly into the cup below.

In addition to providing espresso, STARESSO MINI is equipped with a pressurized filter perfect for frothing milk.

STARESSO MINI requires no battery or electricity to operate, and all the components are easily dismantled for a hassle-free cleaning by hand or by dishwasher.

With a few manual pumpings STARESSO MINI produces a pressure twice as high compared to electric coffee machines. Perfect to make espresso, iced coffee or cold brew just the way you like it, wherever you are.
